Indian Restaurant

Masala arose from a passion for good food
and the love of time spent with friends.
We enjoy the pleasure of good food together.
Dishes are preparedfor sharing
and tasting together.

We recommend trying curries and grilled dishes
with rice and flatbreads - the dish prepared
this way is complete.

In Masala, truly Indian dishes are prepared by native
chefs just in front of you.
The open kitchen is the heart of this place.

Traditional flatbreads, meat grilled in a charcoal
oven and our home made cheese is our speciality.

We invite you to the table.
